

Here's what happens...

A large crowd of 5,000 men, plus women and children, follows Jesus. But when dinnertime comes around, the disciples suggest Jesus send the crowd away since they can't possibly feed that many people. Or can they? Jesus turns five loaves of bread and two fish into a meal for everyone—with leftovers.

Bible Point:

God is our provider.

"God showed how much he loved us by sending his one and only Son into the world so that we might have eternal life through him" (1 John 4:9).

Family Together Time

- Write "God provided this" all over your food packaging. You can use permanent markers on slick packaging like chip bags or just a pen on the inside of cereal and cracker boxes. Let any little ones participate by adding stickers, too.
- Whenever anyone eats a snack or meal, they'll be reminded that God provided your food! (Parents, you can read the message aloud whenever you prepare a snack for your kids who can't read.)

Church Announcements

- We will be offering an in-person Mission Kids program for children JK to Grade 4 during our Sunday morning worship service at The Mission going forward.
- If, however, our in-person service is canceled because of weather, we will post a Mission Kids video on our YouTube channel.

Talk About This...

- What's one food you'd love for Jesus to multiply?
